at the end of the dressage arena. No more than 4 Riders in a class may be actively warming up (jumping) at a time in the Warm Up Arena. Other Riders in the class or the following class may be in the Warm Up Arena, subject to the discretion of the Warm Up Ring Steward. Those Riders not engaged in active warm up must remain in walk or trot (and not stand on the rail), be respectful, not interfere with and give right of way to those Riders engaged in their active warm up. Note that Riders should pass 'left to left' when approaching another Rider from the opposite direction. When riding in the same direction, the horse with the faster gait has the right of way on the track. Any Riders not respecting these courtesies will be asked by the Warm Up Arena Steward to wait outside the Warm Up Arena until their active warm up time commences.

**Competition Arena:** The Competition Arena will be closed once the course has been set up, numbered and flagged, and will be reopened for the Rider/Coach course walk. Access to the Competition Arena will be through the warm up arena. Riders will also exit through the warm up arena.

**Lunging:** The lower arena is available for flat warm up and lunging.

**Protective Headgear:** All riders **MUST** wear protective headgear at all times when mounted. **Any rider found mounted on a horse without protective headgear risks being eliminated from the show.**
