**Stabling:** Visiting horses should contact the show manager to confirm their stabling needs. All visiting horses are asked wherever possible to leave the stalls in the condition they were found.

### **ORDER OF GO AND WARM UP**

**Registration:** The registration desk will be open on the day of the show from 7.00am. The Order of Go will be posted around the show ground as well as at the registration desk.

**Course Walk:** There will be **two** course walks at this show. The course walk for heights from 0.60m to 0.80m will take place at 2:00pm. In the interest of saving time, coaches are encouraged to walk the 0.60m course first, so riders in the 0.60m can start warming up right afterwards. The first rider is expected into the arena at 2:30pm sharp. The second course walk for classes from 0.90m and above will take place after completion of the 0.80m class and the course has been set to 0.90m. The second course walk will last for exactly 15 minutes. The first rider for the 0.90m class will be expected into the arena exactly 10 minutes following the completion of the second course walk. *Therefore, riders in the 0.90m class need to start their horse warm up before the course walk, and use the 10 minutes following the course walk to finish their warmup.*

**Competition bridle numbers:** Bridle numbers will not be required at this show.

### **ARENAS AND ACCESS**

Main show grounds are made up of two arenas, a Warm Up Arena and a Competition Arena.

**Competition Arena** – At the EC, the Competition Arena is to be entered and exited from the Warm Up Arena (the regular dressage arena) using the gate furthest from the viewing stand.

**Warm Up Arena** - to be used for coach-supervised warm up. No more than 4 riders in a class may be actively warming up (jumping) at a time. Other riders in the current class or the following class may be in the Warm Up Arena, subject to the discretion of the Warm Up

Ring Steward. Those riders not engaged in active warm up must remain in walk or trot, be respectful, not interfere with and give right of way to those riders engaged in active warm up. Note that riders should pass 'left to left' when approaching another rider.

**Lower Warm Up Arena at the EC** – May be used only for flat warm up and lunging.

**Protective Headgear:** All riders MUST wear protective headgear at all times when mounted. **Any rider found mounted on a horse without protective headgear risks being eliminated from the show.**
